

National Modeling & Simulation Coalition (NM&SC) Workshop

Thursday, April 27 - Ballroom Two - 1500 - 1700

A 2-hour session to address how the National Modeling & Simulation Coalition, an affiliate of NTSA, is developing programs and activities that promote the vision expressed in House Resolution 487: *"Recognizing the contribution of modeling and simulation technology to the security and prosperity of the United States, and recognizing modeling and simulation as a National Critical Technology"*

ARE YOU INTERESTED IN LEARNING

- How a National Coalition of Volunteers supports the Congressional M&S Caucus?
- How the National Science Foundation, working with the National M&S Coalition, NTSA, and others, developed a nationally-focused M&S Research Agenda?
- An efficient method for identifying promising inter-organizational collaboration to promote economic growth?

SESSION ELEMENTS

NM&SC Overview

Richard Severinghaus, Chairman, NM&SC; CEO/
Director, CRTN Solutions, LLC

National Meetings, Sep 26, 2017, Detroit, MI;
September, 2018, Omaha, NE

National M&S Education Campaign
M&S Industrial Classification Codes

Modeling Innovation Networks for Economic Development

Richard Severinghaus & Gary Markovits,
President, Innovation Business Partners, Inc.

Identifying and mapping Innovation ecosystems; Modeling Data, Collaboration Networks: drivers of economic development and the individual and organizational levels

Modeling & Simulation Common Research Agenda

Warren Bizub, Chair, Tech/R&D Committee,
NM&SC; V. Pres. & CTO, SimIS, Inc.

Workshop, Jan 2016, at National Science Foundation.

Overview of Findings: national level research challenges

Future workshops and I/ITSEC Special Events.
